Great Espionage in Regensburg Area

1. Attached are photostat copies of two CIC reports on subject above, which, though dated, may be of considerable interest.
2. The first, from CIC Sub-Region Regensburg, deal with Alfons TALLNER and suspected link between KPD, Regensburg, and Czechs in the Regensburg area. This report, you will find, contains a number of familiar names. The second, from CIC Region V, concerns Vladimir PERELAY, CNS leader in union, and Ladislav MATOUSEK.
3. Harold G. Mundy has pointed out that CIC records list MATOUSEK as a CONSUM employee and further show that, in the past, PERELAY has frequently volunteered information to CONSUM.
